

Pat. App. No. 10/791,956 Applicant: R. Golicz et al. Atty. No. 2223

December 11, 2006

REMARKS

Please substitute of the enclosed amendment in place of the amendment submitted in applicants' paper dated May 26, 2006, which has yet to be acted upon by examiner. The only change in the enclosure is the cancellation of claim 26.

Applicant is submitting with this amendment a supplement information disclosure statement, listing the Penati et al. Pat. No. 6,655,435. Penati discloses use of cooled anvil 28 in combination with apparatus which includes a perforating die 30.

Dependent claim 25 which embraces a cooled anvil should be allowed as a preferred embodiment of, and in combination with, the patentable invention of claim 1.

Allowance of the claims shown in the enclosed amendment of claims is requested.

Respectfully submitted,  
ROMAN GOLICZ ET AL.
